Non-Conforming PSFGA (does not require rework) 100,000 +	500.00 (plus Initial Fee)	--
Aborted Inspection	1,500.00	Same
Late Cancellation of inspection date (must notify Inspection Provider at least 2 working days (48 hours) before inspection date)	1,000.00	1,500.00

- NOTE:** All fees and PO values are based on your contractual currency. All PSFGA Inspection Reports will be reviewed to ensure we have confidence in the overall quality of the product for our customers. Please note, this may include requesting a reinspection if the overall results, (even if listed as conformed within tolerance on the inspection report) are determined to require sortation/correction to ensure the quality of the product for our customers. The above inspection fees will apply.
